

UNLEASH POWER, UNMATCHED PERFORMANCE: DONALDSON POWERCORE 4X4

Dominate Every Terrain, Conquer Every Challenge!

Maximise efficiency, minimise expenses. At first glance, the price tag might raise eyebrows, but this isn't just an air filter. It's a smart investment. This high-performance air cleaner is engineered to provide improved air flow which translates directly into better fuel economy. Feedback from satisfied owners of the XLC200K have indicated savings of 1L of fuel per 100kms.

Donaldson P/N-XLC200K Air Filter Cleaner Housing Filter Kit

The Donaldson PowerCore® 4x4 air cleaner housing and filter kit delivers quality, reliable filtration and support, even for the toughest off road adventures. Designed for Toyota® Landcruiser® 200 Series diesel engines, the XLC200K is a robust compact replacement airbox equipped with everything you need to protect your vehicle from contaminants that can cause damage to your engine.

4WD and Truck Accessories

Enabled by Bluetooth® wireless technology, XRS™ Connect is the first of a new generation of connected UHF CB radios with unique features never seen before. They are the first ever UHF CB radios with App control, introducing new features such as creating and sharing scan lists and providing instant access to the entire Australian and New Zealand registered analogue frequency database. As with many other smart devices, XRS™ Connect products are software upgradable via the XRS™ Connect app, keeping users up-to-date with the latest features and technology.
