

Auto Electrical Services

Penske Australia is a leading distributor of the world's finest diesel engines, gas engines, and power systems, operating across the most dynamic on- and off-highway markets.

Across select locations, including Mackay, Penske Australia is the appointed dealer of Western Star Trucks, MAN Truck & Bus and Dennis Eagle providing full retail sales, service and parts functions.

In addition to our mechanical services, Penske Australia's Mackay branch also offers a wide range of electrical services including:

- Factory trained auto electrician
- Can travel to your location
- Specialising in Western Star, MAN, Detroit and Allison A/C system diagnosis and repairs
- Truck upfit including spot lights, radios, vehicle fit outs, battery isolations
- Harness repairs/electrical diagnosis
- On- and off-highway application supported
- A/C Health Checks for \$99*

*Price valid 31st Dec 2021
