

HEAVY DUTY ENGINE OIL

Shell Rimula R4 L 15W40 CK4

Shell Rimula R4 L oils use 'low-SAPS' additive technology to protect low emission engines under severe conditions. It delivers improvements in wear and deposit control, and resistance to breakdown under high temperatures compared to previous oil.

Features & benefits:

- Simplify inventory needs
- Emissions system capability
- Lower operating costs
- Outstanding wear protection
- Main applications include severe and heavy-duty diesel engines
- Off-highway applications
